About LAWASIA

Mission Statement

As the representative of lawyers and peak legal organisations from over 40 jurisdictions, LAWASIA's combined activities serve to:

- Encourage and facilitate regional interaction at all levels amongst law associations, judges, lawyers and others involved in the legal community,
- Provide an established voice for the interests of the legal community in Asia and the Pacific,
- Promote the rule of law, respect for human rights, and high standards of legal practice,
- Facilitate quality cross-border legal education that is available and relevant to all jurisdictions, regardless of resources or level of development, for the purpose of enhancing the calibre of legal practice throughout the region, and
- Promote business law initiatives which strengthen relationships.

The Law Association for Asia and the Pacific, LAWASIA is a regional association of lawyers, judges, jurists and legal organisations, which advocates for the interests and concerns of the Asia Pacific legal profession.

For over fifty years, LAWASIA has operated as a platform to promote the cross-jurisdictional exchange of legal knowledge; as a voice of the legal profession; and as a conduit for encouraging adherence to mutually-held principles of the rule of law, professional integrity and the protection of human rights.

Our Members

The LAWASIA membership is composed of individual lawyers and peak legal organisations from over 40 jurisdictions.

LAWASIA holds a number of legal conferences, seminars and meetings throughout the year as a means of supporting professional development, regional networking and the exchange of legal knowledge and insight.

These events are open to the broader legal profession and span both generalist and specialised areas of law, such as family law, children's rights, employment law, intellectual property, human rights and business law.
